

APPROVAL OF MANUFACTURER'S EQUIPMENT ('E*S 630')

Europe*Star Limited hereby confirms that the following satellite earth station equipment:

IPT Suitcase

.....
the "Equipment"

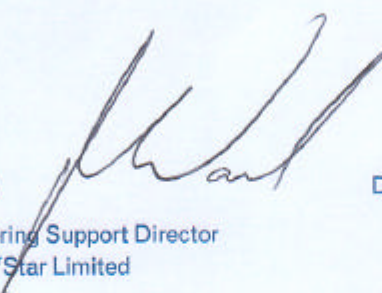

manufactured by

**SWE-DISH Satellite
Systems AB**

.....
the "Manufacturer"

meets the technical performance requirements defined within the Europe*Star document 'Access Requirements for Europe*Star Satellites' ('E*S 300').

Signed:

Engineering Support Director
Europe*Star Limited

Date: 14/07/04

Approval ID: ES-ME-39

*This Approval is based on the Manufacturer's Declaration of Compliance ('E*S 620') and an inspection of detailed technical information submitted by the Manufacturer in support of its application for Europe*Star Approval.*

*This Approval of Manufacturer's Equipment is issued subject to Europe*Star's 'Standard Terms and Conditions to Approval of Manufacturer's Equipment' ('E*S 610'), a copy of which has been provided to the Manufacturer and is also available from Europe*Star.*
